**Section 7 (1) (a) (i)**

**Function and structure of the Regulated Industries Commission**

**Mission statement:**

The Mission Statement of the Regulated Industries Commission is to:

*To ensure promotion of the highest quality of utility services at fair and reasonable rates while building a credible regulatory regime that responds adequately to stakeholders’ concerns and also ensure fairness, transparency and equity in the provision of utility services throughout the country.*

The RIC is a statutory body established by Act No. 26 of 1998 (“the RIC Act”) to regulate and monitor the operations of the service providers named in the RIC Act. The RIC replaced the Public Utilities Commission (“PUC”) whose jurisdiction was issued under the PUC Act Chap 34:01, which was repealed under

the RIC Act. The service providers that presently fall under the purview of the RIC Act include:

- The Water and Sewerage Authority (“WASA”)
- The Trinidad and Tobago Electricity Commission (“T&TEC”)
- The Power Generation Company of Trinidad and Tobago (“PowerGen”)
- Trinity Power Limited (formerly InnCogen Limited).

The Commission as duly constituted consists of a Chairman, Deputy Chairman and at least three (3) other members. The total composition of the Commission shall not consist of less than five (5) or more than seven (7) members, appointed by the President for a maximum of five (5) years in each case. The RIC Act also provides for an Executive Director.

The RIC Act makes provision for the establishment of Consumer Services Committees, members of which are appointed by the Minister and will consist of a Chairman, a representative nominated by the Tobago House of Assembly and three (3) other members who will serve as consumer advocates. Such committees will advise the Commission on matters related to quality of service delivered and ensure that complaints procedures of service providers produce speedy resolutions for consumers. They may also be required to contribute to deliberations of the Commission where rates and licence conditions come under review.

The role of the Commission under the RIC Act includes:

- Making Recommendations to the Minister on the award of licences.
- Monitoring and enforcing compliance with licence conditions and imposing penalties for non-compliance.
- Prescribing and monitoring standards of services.
- Establishing the principles on which tariffs will be based and conducting periodic reviews of rates.
- Conducting studies of efficiency and economy of operation and performance by service providers.
- Investigating consumer complaints and facilitating relief in respect of rates, billing and unsatisfactory service.
- Facilitating competition among service providers, where desirable.
- Collection of Licence fees.

The functions of the Commission are discharged with the assistance of the thirty-two (32) members of staff employed at the office of the Commission. Staff serves as a support arm of the Commission by functioning in furtherance to the mandate of the Commission. See organizational structure of the Commission.

The office of the Commission is located on the 1<sup>st</sup> and 3<sup>rd</sup> Floors, Furness House, Corner of Wrightson Road and Independence Square, Port-of-Spain.

## **Effect of Functions on Members of the Public**

Through the operations of the RIC, the public's interest is protected by the Commission ensuring:

- Maximum efficiency in the allocation and use of resources and that services are provided at the lowest cost
- Equal access by consumers to service, and the fair treatment of consumers and service providers who are similarly placed
- Non-discrimination in terms of pricing and quality of service, and
- Redress for customers in respect of rates, billings and unsatisfactory service.

To facilitate prompt handling of your request, please address it to the Alternate Officer of the Regulated Industries Commission. **(See Section 7 (1) (a) (vi)).**

- *Details in the Request*

Applicants should provide details that will allow for ready identification and location of the records that are being requested. #### Responding to your Request

- *Retrieving Documents*

The Commission is required to furnish copies of documents only when they are in our possession or we can retrieve them from storage.

- *Furnishing Documents*

An applicant is entitled to copies of information we have in our possession, custody or power. We are required to furnish only one copy of a document. If we cannot make a legible copy of a document to be released, we may not attempt to

reconstruct it. Instead, we will furnish the best copy possible and note its quality in our reply.

Please note we are not compelled to do the following:

- (a) Create new documents. For example, we are not required to write a new program so that a computer will print information in the format you prefer.

### Time Limits

- *General*

The FOIA sets a time limit of thirty (30) calendar days for determination of your request for access to documents. If we fail to meet this deadline, the FOIA gives you the right to proceed as though your request has been denied. We will try diligently to comply with the time limit. If it appears that processing your request may take longer than the statutory limit, we will acknowledge your request and advise you of its status. Since there is a possibility that requests may be incorrectly addressed or misdirected, you may wish to call or write to confirm that we have received the request and to ascertain its status.
