PUBLIC NOTICE

To: All wiremen, Contractors and Property Owners

Dated: 30th January, 2014

Re: Electric Fences

CEI Bulletin 01/2014 (below) is effective from 31st January, 2014.

Chief Electrical Inspector

CEI BULLETIN 01/2014

Subject: Electric Fences

All Electric Fences shall comply with the following:

- 1) I.E.C. 60335-2-76 Edition 2.2 2013-05 - International Electrotechnical Commission: Household and similar electrical appliances – Safety – Part 2-76: Particular requirements for electric fence energizers
- 2) TTS 171: Part 1: 2002 Including Amendment 1 (2007)- Trinidad and Tobago Electrical Wiring Code Part 1 Low Voltage Installations
- 3) other requirements of the Electrical Inspectorate Division.

Further, all new Electric Fences must be inspected by the Electrical Inspectorate Division and a certificate of approval given before energizing the fence.
